Union Budget 2025-26 favours for Ayurveda sector

Union Government budget for the financial year 2025-26 presented in the Parliament today by Finance Minister Smt.Nirmala Sitaraman is beneficial for the Ayurveda sector in India. Dr.D.Ramanathan commented.

1. The Finance Minister announced that 50 new tourism destinations will be launched in India in the budget. This announcement has a lot of potential in Kerala, which is very much ahead in the field of tourism.

2. Finance Minister's statement that medical tourism visa will be allowed in private sector with Heal in India partnership and visa norms will be eased is welcome. It is beneficial for foreigners more to reach for Ayurvedic treatment in Kerala through AYUSH visa.

3. Welcome the Finance Minister's statement that the Ministry of Commerce, MSME and Finance will be merged to form a new Export Promotion Mission. Ayush Exil Promotion Council, MSME units will get benefit of this schemes. Ayurvedic companies operating in the MSME sector can also benefit from this and export their products to foreign countries.

4. 8 crore children, 1 crore pregnant women and 20 lakh girls in India will get nutritional support through Sakshan Anganwadi and Poshan scheme. It benefits the overall health of women and children in the country. In the past, pregnant womens used Ayurvedic medicines for health care before and after delivery. This plan is very beneficial for pregnant women.

This budget is good for the Ayurveda sector in India. The Ayurveda sector welcomes this budget.
